

TECHNOLOGY/VOCATIONAL TEACHER – INTERACTIVE DIGITAL MEDIA

Company: RIVER-EAST TRANSCONA SCHOOL DIVISION

Location: Kildonan-East Collegiate, Winnipeg

Position Type: Full-Time term position. Effective Sept 7/21 – June 30/22

As part of an Interactive Digital Media program teaching team, you would be engaging students in the creation of interactive media including 2D and 3D graphics, websites, animations, videos, games and virtual reality experiences. Knowledge of and experience in the creation of 2D and 3D graphics using the full Creative Cloud suite, Maya/Blender, Substance Painter and introductory software such as Scratch and Cospaces is desirable.

Closing Date: March 23, 2021

INTERACTIVE DIGITAL MEDIA AT KILDONAN-EAST COLLEGIATE RESPONSIBILITIES

You would be responsible for teaching students in an exciting learning environment that encourages all students to engage in creating digital media. Following Provincial curriculum, you would prepare students for Post-Secondary education and the workplace by training students in the prototyping process, project management and in industry soft skills.

QUALIFICATIONS

- A Manitoba teaching certificate
- Ideally a B.Ed with a Technical Vocational Major, a student enrolled in a current educational certificate or degree program may also be considered.
- Red River Technical-Vocational Education
- Post-secondary education in computer graphics, computer science, web development or an equivalent. A graduate of the **Red River College Digital Media Design** program would be ideal.
- Experience with the creation of 2D and 3D graphics and animations.
- Beginner to intermediate experience in game development preferably with the Unity Game Engine, or for the web with HTML5 or ActionScript.
- Experience with coding for games in C#.

IDEAL CANDIDATES

- Teaching experience in digital media
- A life-long learner able to engage with a broad community of students
- Community and industry connections.

FURTHER INSTRUCTIONS

If this sounds like you, please visit the River-Eat Transcona School Division website at www.retsd.mb.ca - Careers

We thank all applicants, however only those selected for an interview will be contacted.
