

Digital Internships with Northern Manitoba Youth

Introduction

Thank you for your interest in intern opportunities organized through New Media Manitoba (NMM) and Communities Economic Development Fund (CEDF).

Interested candidates can apply for internships and selected interns will work remotely for Manitoban tech companies, allowing youth to stay in their communities and gain work experience. Roles may be flexible to adjust to the skills of those who apply, but employers have shared interest in hiring for roles in social media marketing, email outreach, research, IT support, and development/programming. Internships will run until March 31, 2024. If there is a fit and opportunity, interns may be hired for full time work with the company after the internship.

For program eligibility and to review all currently available job descriptions, visit this link.

This application is for the role of Growth Specialist at Illumia Labs.

First Name:

Last Name:

Email Address:

Phone Number:

Please confirm that you are living in Northern Manitoba (north of the 53rd parallel) and would be living in Northern Manitoba for the duration of the internship (until March 31, 2024).

Yes: No:

Community where you live:

Birthday*:

** Please note that this program is for candidates who are age 15-29 during the internship period.*

This program is meant for candidates who are seeking their first job in the interactive digital media (tech) sector. Some employers may be flexible with their job postings to adjust roles to an intern's current experience or desired skills, so please keep this in mind when completing the following section.

Skills / Education

Please share about your current skills and education, or skills you would like to develop.

Job / Volunteer Experience

Please share about your experience.

Resume

Instead of the above questions, you are welcome to attach a resume.

Would you be seeking any accommodations or anticipate any challenges in working remotely?

This does not mean requested accommodations would be granted, but we would like to know where candidates may need support or may be unable to participate. This may include challenges with connectivity, limitations of available equipment (like a laptop), a need for adjusted work hours, or concerns related to a disability or language barriers.

By submitting this application, I confirm that I meet the candidate eligibility. I confirm that, should I be selected and accept this role, that I commit to working remotely for this company throughout the internship or at a time in which either party decides to not continue with the internship. I agree to follow the requirements for this program, including providing necessary information for reporting. I understand that this application does not guarantee a position with the company and that NMM may contact me to explore other positions that may fit or to confirm or expand upon information provided in my application.

Completed application forms are to be sent to hr@newmediamanitoba.com.
